West Bath School is participating in Hannaford's Challenge and needs your help maximizing the dollars we will receive during this timeframe.

- Pick up a Clynk bag with a pre-printed label for West Bath School
- Fill the bag with returnable cans and bottles.
- Drop the bag off at any Hannaford or at the bin at the back door of the gym at WBS.

Clynk Bags are available at the school, on the drop off container at the back of the school, at the West Bath Town Hall or you can Email Abbie Delano at delano@myfairpoint.net or Aggie Demers at agullace22@gmail.com and we will get a Clynk bag to you.

Already have a Clynk account? You can donate the funds in your account to the West Bath PTO account online. Just log in to your Clynk account, click the "Browse Communities" page and search for "West Bath School PTO".

WBS earned an extra \$130 during the 2017 Clynk challenge and over the past three years our school has earned close to \$2,000 (over 32,000 containers collected)!
