WHAT IS HOUSEHOLD HAZARDOUS WASTE (HHW)?

Household hazardous waste is any product that is classified as toxic (poisonous), corrosive, flammable or reactive (explosive). Such products can be found in most homes, garages, or workshops.

Many of these products can be identified by reading labels. LOOK FOR THE WORDS: POISON, CORROSIVE, TOXIC, VOLATILE, FLAMMABLE, CAUTION, DANGER, OR WARNING.

HOW DO I SAFELY TRANSPORT & DISPOSE OF IT?

- Carefully load HHW into your car or truck.
- NEVER MIX chemicals together!!!
- NEVER SMOKE or eat while handling or transporting hazardous materials.
- Bring materials in original containers; be sure they are securely closed, tighten all caps or lids.
- Pack containers in sturdy upright boxes and pad with newspaper, if necessary, to prevent spillage.
- Leaking or broken containers must be contained.
- Leave pets at home.
- Pack your vehicle and drive directly to the site. Drive your vehicle to Bath Public Works at 450 Oak Grove Ave at the time designated when you pre-registered.
- Do not get out of your vehicle while at the site unless told to do so!!!
- Have proof of Alna, Arrowsic, Bath, Dresden, Georgetown, Harpswell, Topsham, West Bath, Wiscasset, Westport Island or Woolwich residency in your vehicle
- Follow directions from attendants, your car will be offloaded by Clean Harbors technicians.

Do Evil Spirits Lurk in Your Home?

Clean the skeletons out of your closets,
basement, and garage.

Come to Bath's Regional Household
Hazardous Waste Collection Day on
April 28.

How to Pre-Register:

AFTER APRIL 15 Call the Bath HHW Hotline at
888-958-2255 with your name, address and **a list of the
HHW material you will be bringing.** You will be given
a time period in which to show up with your material on
April 28.

The collection has been organized by
The City of Bath Department of Public Works
Division of Solid Waste & Recycling

This collection is Operated by:
EPI Disposal Inc.
