

NURTURING PARENTING IN RECOVERY

FOR FAMILIES AFFECTED BY SUBSTANCE USE

This parenting enrichment program focuses on the effects substance use has on the family, parenting style, and the caregiver/child relationship. This program is open to parents, guardians, partners, and extended family members. Those adults in a parenting role who are working on recovery are especially encouraged to attend. All are welcome!

- Explore, discover, and build on family member's strengths
- Strengthen your connection with your child
- Learn new skills and parenting strategies to create a healthy, confident family

Join us for this supportive and non-judgmental enrichment program with other parents and caregivers who share similar experiences.

This is a 14 week program that will be held on
Wednesdays from 6–8 p.m.
beginning January 26, 2022
through ZOOM
